Volume 54 No. 4 December 2024

EUBS

Gastric barotrauma in scuba diving

Economics of HBOT in wound healing

Number of HBOT treatments for hearing loss

Lung squeeze incidents in freediving

Risk factors for recreational diving accidents

Does meclizine increase risk of oxygen toxicity

Trends in competitive freediving accidents

Diver treatments at Townsville, Australia

Dive medicine in Antarctica

Development of hyperoxic myopia in scuba diving

SPUMS position statement on paediatric diving

SPUMS/UKDMC guideline on immersion pulmonary oedema

Three case reports

CONTENTS

Diving and Hyperbaric Medicine Volume 54 No. 4 December 2024

264 The Editor's offering

Original articles

265 **Economic analysis of hyperbaric oxygen therapy for the treatment of ischaemic diabetic foot ulcers**

Robin J Brouwer, Nick S van Reijen, Marcel G Dijkgraaf, Rigo Hoencamp, Mark JW Koelemay, Robert A van Hulst, Dirk T Ubbink

275 **Hyperbaric oxygen therapy for idiopathic sudden sensorineural hearing loss: a cohort study of 10 versus more than 10 treatments**

Brenda R Laupland, Kevin B Laupland, Kenneth Thistlethwaite

281 **Occurrence and resolution of freediving-induced pulmonary syndrome in breath-hold divers: an online survey of lung squeeze incidents**

Elaine Yu, Grant Z Dong, Timothy Patron, Madeline Coombs, Peter Lindholm, Frauke Tillmans

287 **Modelling the risk factors for accidents in recreational divers: results from a cross-sectional evaluation in Belgium**

Kurt G Tournoy, Martijn Vandebotermert, Philippe Neuville, Peter Germonpré

296 **Meclizine seasickness medication and its effect on central nervous system oxygen toxicity in a murine model**

Guy Wiener, Anna Jamison, Dror Tal

301 **Trends in competitive freediving accidents**

Jérémie Allinger, Oleg Melikhov, Frédéric Lemaître

308 **Divers treated in Townsville, Australia: worse symptoms lead to poorer outcomes**

Denise F Blake, Melissa Crowe, Daniel Lindsay, Richard Turk, Simon J Mitchell, Neal W Pollock

Technical report

320 **Dive medicine capability at Rothera Research Station (British Antarctic Survey), Adelaide Island, Antarctica**

Felix N R Wood, Katie Bowen, Rosemary Hartley, Matt Warner, Doug Watts

Review articles

328 **Development of myopia in scuba diving and hyperbaric oxygen treatment: a case report and systematic review**

Sofia A Sokolowski, Anne K Räisänen-Sokolowski, Richard V Lundell

Guidelines

338 **South Pacific Underwater Medicine Society (SPUMS) position statement regarding paediatric and adolescent diving**

Elizabeth Elliott¹, David Smart¹, John Lippmann^{2,3}, Neil Banham⁴, Matias Nochetto⁵, Stephan Roehr⁶

344 **Joint position statement on immersion pulmonary oedema and diving from the South Pacific Underwater Medicine Society (SPUMS) and the United Kingdom Diving Medical Committee (UKDMC) 2024**

Neil Banham, David Smart, Peter Wilmshurst, Simon J Mitchell, Mark S Turner, Philip Bryson

Case reports

350 **Anaesthetic and surgical management of gastric perforation secondary to a diving incident: a case report**

Ismail Ben Ayad, Chloe Damman, Lionel vander Essen, Bernard Majerus

354 **Recurrent cutaneous decompression sickness in a hyperbaric chamber attendant with a large persistent foramen ovale**

Peter T Wilmshurst, Christopher J Edge

360 **Five consecutive cases of sensorineural hearing loss associated with inner ear barotrauma due to diving, successfully treated with hyperbaric oxygen**

David Smart

EUBS notices and news

368 **Presidents report**

Jean-Eric Blatteau

369 **EUBS Notices and news**

SPUMS notices and news

372 **President's report**

Neil Banham

373 **Mike Bennett Scholarship**

Neil Banham

375 **SPUMS Diploma in Diving and Hyperbaric Medicine**

377 **Courses and meetings**

378 **Diving and Hyperbaric Medicine: Instructions for authors**

(Short version – updated June 2024)
